Print advertising

Reach the entire metalworking industry!
Maskinregisteret – read by your potential customers.

Maskinregisteret is Norway's largest contact body for machinery and equipment for metalworking workshops and industry.

Here you reach both decision-makers with purchasing responsibility and those who use the machines and equipment on a daily basis.

With a circulation of approximately 6,000 copies, Maskinregisteret is the most important meeting place for the industry – with product news, technical material and advertisements that attract attention.

Choose Maskinregisteret as your most important advertising partner –
and make sure your message is seen where it matters most!
